Beautiful Lake Balboa

LAKE BALBOA IS SET TO BLOOM!

Here are some of the new trees planted on Haskell Ave, North of Victory Blvd.

Lake Balboa Neighborhood Council and the Bureau of Sanitation, Environmental Services Group of the City of Los Angeles. Has implemented a grant funded project which is mitigating the HOV expansion of the 405 by planting 215 trees along major traffic corridors like, Haskell Ave., Woodley Ave., Vanowen St. and Victory Blvd. This will help with the potential pollution issues due to the expansion of the I-405. Lake Balboa NC committed to watering these 215 trees in order to sustain them and make our Lake Balboa community more vibrant and beautiful.

REDUCE CRIME THROUGH FORECLOSURE TRACKING

Unmonitored foreclosures tend to attract crime to neighborhoods. In order to continue reducing crime, LAPD West Valley Area - working in partnership with our Neighborhood Council - has created a Report Foreclosures link on the home page of the website www.westvalleypolice.org.

When you click on this link you have the ability to provide all the information you would like about the foreclosure location. You can also provide your personal information for a follow up contact or remain anonymous. The only required information in order to submit a foreclosure location is the street number of the property, the street name, and the city. Help us continue to reduce crime and keep your neighborhoods safe by reporting suspected foreclosures in your area. You can make a difference!
